How this was made

This study is the author's own work – what it says, and where it goes, are his. It was composed with **junifye**, with an AI assistant as a tool, and draws its Scripture and original-language studies (Greek, Hebrew, and cross-references) from **Darash** (Hebrew darash, “to seek, inquire, study”) – a platform for reading the Bible in its original languages.

Both **junifye** (for composing documents) and **Darash** (for studying Scripture in the original tongues) are available as **MCP** tools – usable from Claude Desktop or any AI assistant that can run them.

You are warmly invited to study the Word in its original languages with **Darash**, to read this and every other title freely alongside Scripture in the **Bibleread** app, and to browse the whole catalogue in the [public library](#).

Free for personal and congregational use – not for sale. © the author; commercial rights reserved to Publifye AS.
